# BWXT to Participate in Bank of America Merrill Lynch Global Industrials Conference

(LYNCHBURG, Va. – March 18, 2019) – BWX Technologies, Inc. (NYSE:BWXT) announced today that it will participate in the 2019 Bank of America Merrill Lynch Global Industrials Conference in London.

Senior Vice President and Chief Financial Officer David Black will be presenting on March 20, 2019. Also attending will be Vice President and Chief Investor Relations Officer Alan Nethery.

BWXT is a leading supplier of nuclear components, fuel and services to government and commercial customers and is the sole manufacturer of U.S. naval nuclear reactors for submarines and aircraft carriers.

The company's overview presentation is available in the Investor Relations section of its website at [www.bwxt.com](http://www.bwxt.com).

### **About BWXT**

*Headquartered in Lynchburg, Va., BWX Technologies, Inc. (NYSE:BWXT) is a leading supplier of nuclear components and fuel to the U.S. government; provides technical and management services to support the U.S. government in the operation of complex facilities and environmental remediation activities; and supplies precision manufactured components, services and fuel for the commercial nuclear power industry. With approximately 6,250 employees, BWXT has 11 major operating sites in the U.S. and Canada. In addition, BWXT joint ventures provide management and operations at more than a dozen U.S. Department of Energy and NASA facilities.
