

NEWS RELEASE

BWXT to Participate in Credit Suisse Industrials Conference

(LYNCHBURG, Va. – November 19, 2019) – BWX Technologies, Inc. (NYSE: BWXT) announced today that Senior Vice President and Chief Financial Officer David Black will be making a presentation at the Credit Suisse 7th Annual Industrials Conference on December 3, 2019. Mr. Black and Investor Relations Director Mark Kratz will also be attending December 4, 2019.

BWXT is a leading supplier of nuclear components, fuel and services to government and commercial customers and is the sole manufacturer of U.S. naval nuclear reactors for submarines and aircraft carriers.

The company's investor briefing is available in the Investor Relations section of its website [here](#). The presentation will not be made available as a webcast.

About BWXT

Headquartered in Lynchburg, Va., BWX Technologies, Inc. (NYSE: BWXT) is a leading supplier of nuclear components and fuel to the U.S. government; provides technical and management services to support the U.S. government in the operation of complex facilities and environmental remediation activities; and supplies precision manufactured components, services and fuel for the commercial nuclear power industry. With approximately 6,400 employees, BWXT has 11 major operating sites in the U.S. and Canada. In addition, BWXT joint ventures provide management and operations at more than a dozen U.S. Department of Energy and NASA facilities.
