

BWX Technologies, Inc. to Webcast Discussion of its Second Quarter 2017 Results

July 19, 2017

LYNCHBURG, Va.--(BUSINESS WIRE)-- BWX Technologies, Inc. (BWXT) (NYSE:BWXT) expects to webcast a discussion of its second quarter 2017 results on Tuesday, August 8, 2017 at 9:00 a.m. ET. Executive Chairman John A. Fees, President & CEO Rex D. Geveden and Senior Vice President and Chief Financial Officer David S. Black will discuss the Company's second quarter results. A news release detailing the results is expected to be issued after the market closes on Monday, August 7, 2017.

The listen-only audio of the conference call will be broadcast live via the Internet at www.bwxt.com under the investor relations tab. The dial-in number for participants in the U.S. is 844-850-0542; the dial-in number for participants outside the U.S. is 412-317-6014. All participants should ask to be joined into the BWX Technologies, Inc. (BWXT) call. A replay of this conference call will remain accessible in the investor relations section of the Company's website for a limited time.

About BWXT

Headquartered in Lynchburg, Va., BWX Technologies, Inc. (NYSE:BWXT) is a leading supplier of nuclear components and fuel to the U.S. government; provides technical and management services to support the U.S. government in the operation of complex facilities and environmental remediation activities; and supplies precision manufactured components, services and fuel for the commercial nuclear power industry. With approximately 6,100 employees, BWXT has nine major operating sites in the U.S. and Canada. In addition, BWXT joint ventures provide management and operations at a dozen U.S. Department of Energy and two National Aeronautics and Space Administration (NASA) facilities.
