Kurt Bender, Chief Digital Officer, BWXT

years driving digital transformation across leading aerospace, defense and technology companies, including L3Harris Technologies and BAE Systems.

Bender most recently served as BWXT's vice president of IT applications, quality and continuous improvement where he led the modernization of core systems and AI technologies, cybersecurity and established governance frameworks within the business. Prior to joining BWXT, he spent more than 22

"Kurt's promotion comes as we open our new Digital Center in Melbourne, Florida, where we are accelerating a digital transformation that will shape our future," said Rex D. Geveden, BWXT president and chief executive officer. "His leadership is essential to building a culture of innovation and ensuring we deliver with the safety, speed, agility and excellence that have set us apart in the nuclear industry for more than 70 years."

Bender succeeds Omar Meguid, BWXT's first chief digital officer, appointed in 2023.

"We are grateful for Omar's transformative leadership over the last three years," Geveden said. "Omar built our digital strategy and executed it to perfection."

About BWXT
